You are responsible for leaving your room in the condition described in the Room Inventory Form at the start of the year.

## STUDENT PROPERTY INSURANCE

The University assumes no responsibility for loss or damage to any resident's personal property from any cause. We strongly recommend residents obtain insurance coverage by verifying coverage under a parent's homeowner's policy, by purchasing a renter's insurance policy, or by purchasing coverage under the University's Student Personal Property Insurance Program available at [www.fidelityins.com](http://www.fidelityins.com).

Read more about fire prevention in student housing at [www.fireproofyourself.org](http://www.fireproofyourself.org).

## FLU PREVENTION

The WWU Student Health Center recommends that students, faculty and staff get an annual flu shot. Residents should also bring a flu kit containing a digital thermometer, fever reducer, decongestant, tissues, antibacterial soap or hand sanitizer. Read more about preventing the flu at [www.wvu.edu/chw/student\\_health/](http://www.wvu.edu/chw/student_health/).

## LAUNDRY FACILITIES

Self-serve laundry rooms are available in the residence halls and Birnam Wood. Washers and dryers operate on a coinless laundry card system: every student gets a laundry card at move-in; value can be added with cash, credit or debit at the laundry card kiosks located in the dining commons and Birnam Wood.

## BATHROOM FACILITIES

Students must bring their own towels and toiletries; toilet tissue is furnished in the residence halls. Residential bathrooms assigned to four or more residents are cleaned by custodial staff. Students in apartments, and residence hall suites with three or fewer students, are responsible for cleaning their own bathrooms.

## EMERGENCY PREPAREDNESS KIT

The WWU Emergency Management Team strongly encourages individual preparedness for natural disasters and campus-wide emergencies. The WWU Emergency Preparedness Kit is available at the Student Bookstore and contains three days' worth of the following supplies: 84oz. water; energy bars; dust mask; 21-piece first aid kit; battery-powered flashlight; personal hygiene kit; thermal blanket; whistle; lightweight poncho with hood; body/hand warmers (2); 12-hour light sticks (2); medication storage cylinder; nylon carrying case.

## BEDS & BEDDING

All beds on campus are extra-long twin. You must bring your own sheets (extra-long twin are recommended), along with blankets, pillow, mattress pad or foam topper. A limited number of extensions are available for students 6'7" or taller. To reserve an extension, contact [Housing@wwu.edu](mailto:Housing@wwu.edu) no later than June 15.

### Bed Configurations

Beds in most residence halls can be reconfigured into bunk, loft or captain styles. Depending on the set up you want, bed parts may be needed and are available for check-out on opening day at your residence hall; some students like to bring their own half-inch socket wrench. Beds in Ridgeway Gamma are fixed to the floor, so they cannot be moved or reconfigured. Beds in Buchanan Towers, Buchanan Towers East and Birnam Wood can be bunked or un-bunked without additional parts.

## TRANSPORTATION & PARKING

### Community Transit

All students taking six or more credits pay a mandatory Alternative Transportation Fee of \$25 per quarter and have their Western ID Cards encoded for use as a bus pass, good for unlimited rides on the Whatcom Transit Authority (WTA) system. In addition to its local routes, WTA has connections to Mount Vernon, Anacortes, Oak Harbor, Everett, Seattle and Tacoma. See routes and schedules at [www.ridewta.com](http://www.ridewta.com).

### Bicycles

Bicycles are a preferred form of transportation in the University's Institutional Master Plan. All residential buildings provide some form of bicycle storage, and there are over 900 parking spaces within the academic core. Riders must dismount in designated walk zones, effective 9:00 a.m. - 4:00 p.m. on regular class days during the academic year. Bicycle headlight and rear reflector are required by law after dusk. A cable and U-lock secured to a stationary bike rack are the best defense against theft.

### Skateboards

Western recognizes skateboards as a legitimate form of alternative transportation. Riders must dismount in designated walk zones, effective 9:00 a.m. - 4:00 p.m. on regular class days during the academic year. Skateboards on city streets are prohibited by law.

### Private Vehicles

Limited residential parking is available by permit and costs about \$275 for the academic year. Apply online at [www.ps.wvu.edu/parking](http://www.ps.wvu.edu/parking).

## APARTMENT LIVING

In addition to the items on the What to Bring list (see page 4), apartment residents should bring their own cooking equipment, eating utensils and cleaning supplies. Birnam Wood Apartments are furnished; Internet access, cable TV service and utilities are included in the room rent. Parking permits are required.

# Dining Services

## RESIDENTIAL MEAL PLANS

Choosing the meal plan that's right for you will depend on how many meals you typically eat in a day, your schedule throughout the week, and how often you eat in a dining commons versus the retail markets and cafés. When you enter the dining commons, a swipe of your Western Card deducts your visit from your meal allowance. You may upgrade your meal plan anytime you decide you need more than your current plan provides. You may downsize your meal plan anytime by the second Friday of the quarter. Unused meals expire at the end of the quarter. Meal plans are required of all students living in residence halls, and optional for those living in Birnam Wood Apartments.

- Unlimited Meal Plan: Maximum flexibility
- 125 Meal Plan: About 12 meals/week
- 100 Meal Plan: About 9 meals/week
- 75 Meal Plan: About 7 meals/week
- Commuter Meal Plan: 5 meals/week

## Dining Dollars

Meal plans include a quarterly allocation of meals for use in any commons, plus 150 Dining Dollars. Dining Dollars can be used with a swipe of your card in any of the cafés and markets across campus or to buy additional meals in the commons. Dining Dollars carry over from one quarter to the next and expire at the end of the academic year.

## MUNCH MONEY

Munch Money is a prepaid debit account that allows you to buy food at any campus eatery with a swipe of your Western Card. Munch Money is used by students, faculty and staff, and residents who want to supplement their meal plans. Munch Money lets you buy food items tax-free and at a 10% discount. You can add Munch Money to your Western Card in person, by mail or online.

## RESIDENTIAL DINING COMMONS

Twenty-four meals a week are served among three dining commons, including breakfast, lunch, light lunch, dinner, late night and weekend brunch. Students, faculty and staff may dine in any commons they wish, paying the entrance fee with a meal plan, Dining Dollars, Munch Money, cash or credit card. Expect buffet style dining, comfortable seating and lots of natural light.

- Viking Commons: North Campus
- Ridgeway Commons: Ridgeway Complex
- Fairhaven Commons: South Campus

# Technology

## UNIVERSITY DIETICIAN

The University's registered dietician can counsel students about advanced sports nutrition, weight management, food allergies and diabetes wellness. If you have a unique dietary need, Dining Services can work with the dietician to offer or prepare the food you require. Contact the Student Health Center at 360-650-3400 for more information.

## SPECIAL DELIVERY: GIFTS FROM HOME

Friends and family can send love from home through University Catering. Tell your student how much you miss them by requesting a custom care package or Viking sheet cake. Visit <http://catering.wvu.edu>.

## STUDENT EMPLOYMENT

Each year University Dining Services has over 500 students working on campus in various dining locations. Job openings include cashier, espresso barista, dishwasher, janitor, food server, food production, cook and more. Visit [dining.wvu.edu](http://dining.wvu.edu) for application information after July 1.

## FOOD ALLERGIES

Food allergies, mild or severe, can be uncharted territory for students heading to college for the first time. Here are some proven strategies for your allergy management plan:

1. Ensure you have a supportive roommate by requesting someone you know.
2. Request to live in Buchanan Towers, the residence hall where every suite has a kitchenette.
3. Request to live in Birnam Wood Apartments where the units have full kitchens and meal plans are not required.
4. Let the University Dietician help you navigate the dining system so it serves your unique needs.
5. Introduce yourself to the chef manager of your preferred dining commons and work together to get the kind of food you need.
6. Supplement your meal plan by bringing your own snack supply, mini-fridge and microwave.
7. If you are prescribed medication such as epinephrine, carry it with you at all times and educate your roommate, friends and building staff.

## SUPPORT SERVICES

Residential Technology Services (ResTek) provides technology education and support to campus residents. The ResTek staff is composed of Western students who have been trained to assist residents by phone, email and room visits. Throughout the year, ResTek consultants are readily available to assist you with virus and spyware infections, safe internet habits, and troubleshooting problems with your internet connection. ResTek provides guidance while you gain knowledge and confidence in maintaining your own computer.

## MEDIA CONNECTIONS

Wired internet access and basic cable TV service are provided in every residential room, and the cost is included in the room fees. Wireless internet access (Wi-Fi) is available in many of the residential lounges as well. Some residence halls will be equipped with wireless internet in each room by Fall 2011. In rooms where internet access is wired, residents may bring their own wireless routers and ResTek can offer assistance with setup. If your residence hall provides Wi-Fi in its rooms, wireless routers will not be allowed (or needed) in your building. University Residences will notify you of the type of internet access in your assigned building so you can prepare accordingly.

## NETWORK REGISTRATION

Students must complete an online registration process to use the computer network provided in the residential buildings. Instructions for connecting your computer to the network will be posted on the ResTek Help Request Board located near your residence hall front desk. Your computer must have current antivirus software and be patched with the latest security updates for your operating system.

## RESIDENTIAL COMPUTER LABS

Residential computer labs provide 24-hour technology access for residents. These labs are equipped with Microsoft Office, laser printing, and Internet. Residential computer labs are located in:

Birnam Wood	Higginson Hall
Buchanan Towers	Mathes Hall
Edens Hall	Nash Hall
Fairhaven Commons	Ridgeway Commons

## RESTEK INTERNSHIPS

The ResTek internship program offers residents paid training and work experience as they help their neighbors connect to the internet during the first week of Fall Quarter. Interns get early arrival privileges free of charge, along with meals and a t-shirt. They launch the year in a leadership role and make friends with their fellow interns and ResTek staff. After the first week of Fall Quarter, ResTek interns are encouraged to volunteer as liaisons between their residence hall and ResTek by attending Hall Council meetings, and they receive early notification of openings for paid ResTek positions.

## **HOUSING AGREEMENT**

Housing applicants must endorse the Housing Agreement and pay a \$200 housing deposit to be eligible for a housing assignment. By endorsing the Housing Agreement, you promise to abide by the following contractual terms and statutes:

1. The Housing Agreement
2. Residential Community Handbook
3. Student Rights and Responsibilities Code

### **Length of Agreement**

Duration of the Housing Agreement is the full academic year or remainder thereof if you moved in mid-year. Moving out of the residential system before the end of the contract term may result in a contract breakage fee up to \$400. The housing contract term for academic year 2011-2012 is Sunday September 18, 2011 through Friday June 8, 2012.

### **Cancellation Prior to Arrival**

Housing cancellations must be submitted in writing to [Housing@wwu.edu](mailto:Housing@wwu.edu); please include your name, student ID, and a statement cancelling your housing reservation. Refund of the \$200 housing deposit is determined by several factors and specified in the Housing Agreement (Section 7).

## **HOUSING ASSIGNMENT**

Priority consideration is given to students who applied for housing and paid their housing deposit on time. Housing applicants are then ranked in the order they applied for admission, giving highest priority to those who applied early. Finally rooms are assigned according to roommate status, housing preference and gender.

### **Roommate Assignment**

Login to MyHousing to view contact information for your roommate(s) and suitemate, if any. You are encouraged to contact each other to plan your space.

### **Requesting Reassignment**

Once the school year is underway, students may request to move within or between buildings. Room transfers are coordinated by building staff and may require a one-on-one with your resident director and some time on the waitlist.

### **Painting Rotation**

Residential rooms are painted on a rotating basis. If your room is scheduled to be painted, you will be notified and invited to an informational meeting. The paint used in student rooms contains no volatile organic compounds (VOC) and we ensure the best environmental practices in the maintenance of our buildings.

## **RESIDENTIAL COMMUNITY HANDBOOK**

The Residential Community Handbook (RCH) is the official student manual for day-to-day campus living. As a member of the residential community, you are responsible for understanding and complying with the information, policies and procedures in the RCH. View the entire RCH at [housing.wwu.edu/RCH](http://housing.wwu.edu/RCH).

## STUDENT EMPLOYMENT

Use this online resource to find part-time employment on or off campus: [www.finaid.wwu.edu/studentjobs/](http://www.finaid.wwu.edu/studentjobs/). If you are considering employment on or off campus, you will need to provide acceptable forms of original identification when you go through the hiring process. So you know exactly what documentation to bring with you to campus, you are advised to review Form I-9, Employment Eligibility Verification: [www.uscis.gov/files/form/i-9.pdf](http://www.uscis.gov/files/form/i-9.pdf).

## PAPERLESS BILLING & PAYMENTS

Quarterly tuition and housing charges are assessed to your WWU student account before the start of each quarter and payment is due by the first day of classes. Any additional charges incurred later in the quarter (for actions like adding a class, increasing your meal plan or upgrading your room assignment) are due by 5:00 p.m. on the third Friday of the month. Past due accounts are subject to a monthly \$40 late fee and 1% interest charge. Access your student account by logging into MyWestern and clicking on Web4U. Visit the Student Accounts website to learn how parents can participate in the billing and payment process.

## FINANCIAL AID & SCHOLARSHIPS

Quarterly monies for students with financial aid or scholarships are applied to the student account for automatic payment of tuition, fees, housing and dining charges. Funds in excess of current quarter charges are refunded to the student by direct deposit or check. Direct deposit enrollment forms are available online from Student Accounts and from the University Cashier. Please note: financial aid will not cover certain charges on your student account unless you submit an Authorization for Miscellaneous Charges form to Student Accounts.

## RELEASE OF FINANCIAL INFORMATION

The Family Educational Rights and Privacy Act (FERPA) prevents the University from discussing a student's financial activity with anyone (including parents, guardians or spouses) without the authorization of the student. To enable your parents to discuss your student account with University staff, you must submit a Release of Financial Information form to Student Accounts.
